

# Alera Healthcare Professional Liability

Alera's Healthcare Professional Liability team is led by physicians and attorneys 100% focused on medical malpractice and the healthcare business.

Alera offers its clients unparalleled expertise and direct, responsive service. We advocate for clients aggressively on an ongoing basis, understanding your business dynamics and goals to chart multi-year strategies for your risk management and insurance needs.

## The Alera Advantage

In the field of medicine, specialization requires extra time and training; this focused effort benefits patients. In our malpractice solutions, we echo that philosophy. We specialize in med-mal insurance and work with a full spectrum of carriers to offer a range of solutions. We strive to educate and collaborate with our clients to develop medical liability coverage that is genuinely customized.
